## *President's Message*

### *December 2015*

Greetings Folks,

The holiday season is upon us even if the weather hasn't turned wintry yet. No problem, it will soon enough.

Let me express my thanks to our outgoing officers and board members for your dedication and service, and welcome to our newly elected officers and board members. Thank you for coming forward to keep Wayne Drumlins a viable club. That being said, we still need a staff to organize and set up the car show next August. I know that seems like a long way off but there is a lot of behind the scenes work that takes time and is vital to the success of the show.

To those of you who have or are getting ready to head south for the winter, I am sure there will be interesting shows, flea markets, and perhaps an opportunity to bring home a new old ride. Safe travels and we look forward to your return next spring. For the rest of us, don't forget our December get together will be Sunday, December 6th at the Clifton Springs Nursing home. Remember your small gifts and some cookies to share. There will not be any gathering at the Phelps Community Center this month.

Speaking of the Community Center, our next meeting there will be February 17th, our usual third Wednesday, weather permitting. Let's hope we don't get another last minute storm like we did last year.

Enjoy your holiday season and stay safe.

*Dick Stearns*

## NOVEMBER 2015 MINUTES

The November 11, 2015 meeting was held at the Marion Masonic Lodge. We had our Ham Dinner with many various dishes that were brought by the members. Amy Ressue cooked the ham. The meeting was opened at 6:45PM by our President Dick Stearns and began with the Pledge of Allegiance to our flag. 30 members were present.

**SECRETARY'S REPORT** – Donna Goellner read the October minutes taken by Rusty Smith as they did not get into the November Headliner in time. A motion was made by Dave Dorf to accept the minutes. Seconded by Stan Herdman. Motion carried.

**TREASURER'S REPORT** - Brenda Stearns, Treasurer, reported that she had just received the bank statement and didn't have a formal report, but stated that we had lots of money in the accounts. Motion made by Joel Neil to accept the report. Seconded by Stan Herdman. Motion carried.

**BOARD OF DIRECTOR'S REPORT** - Matt Canavan didn't have anything to report at this time, but stated that the Website was up to date.

**SHOW COMMITTEE** - George is now in Florida. President Dick Stearns did bring up that it has been discussed to add one more class to the car show. It would be for members only, exempt from President and Best of Show and members would not be able to vote on the cars. This may help to get more members interested. He will submit the ideas to George. He also presented the new dash plaque for next year's show.

**MEMBERSHIP COMMITTEE** - Hank Goellner, Chairman, is taking dues for next year. Let him know of any corrections or additions in the roster as he is trying to finalize it for next year.

**CONCERNS FOR MEMBERS AND ANY CORRESPONDENCES RECEIVED** - Dick Weis is in the hospital and they have not left yet for Florida.

**BUY SELL OR TRADE** - None

**OLD BUSINESS** - None

**NEW BUSINESS** – President Dick Stearns reported on a book that you can order called “Car Crazy”. He also read a letter from AACA about a National contest to get membership up. A nearby AACA region has a campaign that has resulted in them taking in many new members. He then presented Jean and Pete Empson with a Retirement Award plaque for their years of service doing the Headliner.

*Where in the World Are the AACA Members*  
By Stacy Zimmerman, Speedster Editor

In between helping with membership renewals and answering questions from potential advertisers regarding our membership, it got me thinking... I wonder which states have the most AACA members? Do we have members in all 50 states? Besides the U.S., which countries have the most members? Where in the world are AACA members? So, I asked for current membership reports and started sorting and calculating and comparing numbers. Here's what I discovered:

Total Current AACA Memberships: 32,993\*

AACA members can be found in all 50 states in the U.S., plus the District of Columbia, Puerto Rico and the Virgin Islands. Did you know that we have over 200 memberships in Alaska? And almost 200 memberships in Puerto Rico!

The top 10 states where you can find the largest number of AACA memberships are:

1. PA	6122	6. NJ	1589
2. NY	2733	7. CA	1359
3. FL	2644	8. OH	1234
4. VA	1666	9. MD	1192
5. NC	1607	10. TX	1020

Regarding foreign memberships, our neighbor to the north wins by a landslide. The top 5 countries (other than the U.S.) with the most AACA memberships are:

1. Canada	462
2. Australia	38
3. Costa Rica	30
4. England	22
5. New Zealand	18

So, I guess the simple answer to my question is  
that AACA members are EVERYWHERE

*\*As of 10-22-15. These numbers represent actual AACA membership records. AACA has several types of memberships including individual and joint. Because the majority of our memberships are joint, we feel comfortable stating that our total number of members is around 60,000.*

Dick Weis entered into eternal rest on Friday, November 13, 2015. Dick was a 50 year member of AACA and a charter member of Wayne Drumlins Antique Auto Region. Dick loved restoring antique automobiles, brass lamps and horns and he had an extensive collection of each. Dick and his wife Allie spent many years traveling to the Hershey Fall Meet to sell his restored lamps and horns to people from all over the world, Dick will be missed by all those who knew him.

***Message from Vice-President***

The dash plaques for our 2016 Car Show have been received.

If you have an idea for our 2016 Calendar, please let me know. Looking for activities, day trips, garages to visit, car shows, points of interest and/or speakers for our meetings. Need your help for a successful year. This is your club.

## Northeast Rally Club

### Rally Round the Erie Canal 2016

May 13-15, 2016

The Northeast Rally Club is proud to announce that their annual spring rally will take place in Fairport, NY. During the 2012 Great Race, this village on the Erie Canal was voted best lunch stop by drivers and navigators. Come see what Fairport has to offer and why it is "one of the best 100 places to live".

Dates of the spring rally are May 13-15, 2016. This includes a fun run Friday followed by competition Saturday and Sunday. The rally will consist of routes through the beautiful Finger Lakes region of New York State and will include a stop at Three Brothers Winery in Geneva, NY. Lunch Saturday will be hosted by Great Race Veterans John and Scott Hudson, in Baldwinsville, NY.

The field for this rally will be limited to 50 cars. A deposit of \$200 is required to hold your spot for the 2016 Rally Round the Erie Canal. This will be half of your \$400 rally weekend fee that is due by March 2016. This does not include hotel accommodations. The host hotel is the Hampton Inn and Suites in Victor NY. The rooms will have to be booked no later than 30 days prior to the event; otherwise we cannot guarantee a room at the Northeast Rally Club rates. The details on contacting the host hotel is included in your application for the event.

For this weekend rally old cars are encouraged but not required, you can run whatever you prefer. Your final daily score will be age factor adjusted for the year of your vehicle, the older the car the better the factored final score. There are three divisions: Pro, SOP, and Rookie. Pro's will use a timewise rally speedometer, SOP is "seat of the pants" where you will use the stock speedometer in your vehicle and Rookie class is for anyone that has not competed in a Northeast Rally Club event. For all rules and Regulations please visit the Northeast Rally Club website

at [www.northeastrallyclub.com](http://www.northeastrallyclub.com).

As a tradition with the Northeast Rally Club, a silent auction will be held to benefit a local charity or organization. Please remember to bring something nice to donate to help raise funds.

We hope that you can attend the 1st annual Rally Round the Erie Canal! Thank you for your interest.
