## *President's Message* *September 2014*

Our 37th Annual Antique Car Show and Flea Market has come and gone. Sunday, August 17th, dawned with a solid cloud cover and a stiff breeze. The show field was spongy after 3/4 of an inch of rain overnight. Cars were slipping and sliding as the rows of classes steadily filled throughout the morning, the clock counting down to a noon deadline. The registrants took the field in stride, cracking the inevitable upstate NY weather jokes and helping each other get their cars positioned. The flea market slots filled up to full with bartering and bargains from one end to the other.

It was a great start to a great day, and it only got better. The skies cleared and field hardened up a bit. George O'Neil, Show Chairman, says that 294 cars were registered, an impressive number given the tenuous start to the weather. Of this number, 76 were new registrants, revealing that interest in our show remains very strong, with a sterling reputation built on years of excellent shows.

Our club members were a strong force, actively involved and directing the show from all corners of the show field and flea market. Show field parking went very well, given the steady flow of entries and the soggy conditions. Judging was completed mostly on time and ballots were efficiently tallied. The awards parade was a big success, with a new, smooth process.

Can we improve? Certainly, and we'll make changes. But this show went very, very well. Be proud of it! And thank you to all of our club members. Our full participation made it a little easier for everybody, and our camaraderie was apparent to all. A great job!

BTW (by the way), next year we do it again, on Sunday, August 16th - 2015!!

***Matt***

## ***Vice-President's Message***

Greetings Folks

I would like to say a sincere thanks to all of you who helped to make our 37<sup>th</sup> annual show a success. Despite a rather shaky start with the weather Sunday morning, everything went very well. Thanks.

To our new members who joined us at the show, welcome aboard. I look forward to seeing you at our monthly meetings and your participation in club events. Should you have any questions or concerns, please ask any of the club officers or other members.

I recently was asked if Wayne Drumlins had trouble attracting new members because as members, we cannot have our cars entered for judging at our show. Most of us understand and accept this policy but I thought I might share my response with everyone anyway.

As Wayne Drumlins members, we are not actually banned from showing our cars at the show, and often one or more members do have their cars at the show. The fine print is "do not judge". As members, our cars are not eligible for prizes. Case in point,, you may have seen Steve Heald's 1905 Buick at the show Sunday. Steve is Chairman of the Board of Directors and a past President. He usually brings at least one car to the show every year. I was asked if I would bring my Velie but without a trailer and a tow vehicle, I elected to forgo the hour long drive each way, especially along Route 21. Also, I knew it would be a LONG day, having to be there by 0730 and not being able to start home until about 1700. Plus, I had to set out the show signs around Marion Saturday and then collect them Sunday and return them to our storage shed at the park. Not in the Velie, thanks.

It only seems fair that as members, we should not be competing for the prizes that are one of the incentives for the vast majority of attendees at our one and only annual fund raiser for the

club. Traditionally, at any car show, host club members are excluded from the winners circle. It is simply a matter of good public relations.

See you in September.

### THE DRUMLINS HEADLINER

VOL. XXV # 1 & 2

JANUARY 2000

1999 president, George Grube passes the gavel on to our new president, Mert Maslyn, at the Year End Banquet.

#### A note from our Past-President....

The new millennium's first event for Wayne Drumlins members was our Year-End Banquet. It was held at the Farm Restaurant in Mac-edon, on January 8, 2000. We enjoyed a delicious dinner. On the tables were beautiful flower centerpieces and party favors for our members, snowmen for the ladies and Wayne Drumlins toy trucks for the men. Our guest speaker was Doug Davis, who educated us about the Lions Club. After our program we were entertained by impersonations of several well known singing celebrities, even Elvis came back again. We thank Amy Ressue and Rusty Smith for planning a delightful evening for the Wayne Drumlins members. I also want to thank all the members for their support and help while I served as president. Good luck to Mert as he takes over the leadership. I wish him the best. Happy New Year to all.

Thanks.....

George Grube

## President's Picnic

Matt and Rita are hosting a President's Picnic on Saturday, September 13th. Rain date is Sunday, September 14th. Feel free to arrive around noon or so. We plan to eat about 1:00pm and ask that you bring a dish to pass. We will provide hot dogs, rolls, condiments, table service and drinks. If you have chairs that are easy to carry, please bring them, although we have seating for at least 30 people. Our home is located at 2103 Perry Point Road (a Penn Yan mailing address, but we're actually in the Town of Torrey). Perry Point Road is off Route 14 about 12 miles south of Geneva. It is about one mile south of the intersection of Route 14 and Route 54 (a flashing yellow light is at the intersection; this is where Dresden is). We are the very last house on Perry Point Road, about 2 miles off Route 14. We may need to move some cars up to the barn but can provide golf cart service (two carts!) back and forth. Also, our home is accessible with only one step to the upper deck and one additional step into the house. The lower deck is accessible with about 12 steps. We look forward to seeing everyone. Matt's cell phone is (585) 746-9357 and Rita's cell phone is (585) 329-9776.

## Annual Banquet

Our banquet will be held at Club 86 in Geneva on Sunday, October 26, 2014 from 3pm – 7pm. We will begin with a cash bar and appetizers with dinner to be served at 4:30. Preston Pierce will present a program after dinner.

Dinner options are: Club 86 Chicken for \$18  
Baked Stuffed Sole for \$23  
Strip Steak for \$25

All dinners come with soup, salad, rolls, butter, coffee, tea and dessert. In addition, each person will need to select either potato or rice pilaf to be served with their entrée.

We do not yet have a final decision on whether or not the Club will make a contribution to offset costs. In the past, the Club has paid for the appetizers and has covered the tax and tip. In lieu of this arrangement, a motion was made and tabled to have the Club provide \$10 per member to offset meal expense. Once a decision is made, we will have final costs available.
